Paella Price Information Cont.

Our customers know the excellent quality of our roasted meats and our Paella is no exception.

All Paella is cooked with imported short grain rice to maximize flavour absorption without being sticky and gluggy and imported Smoked Paprika and Saffron for a full flavour.

How it works

We arrive at your venue approximately 2 hours before your serving time allowing us to set up and cook the Paella. We have a range of Paella pans available to suit the number of guests and varieties. Your Paella will be served straight from the pan, either by us, or you can help yourself. Our head Paella cook is provided for an additional cost of \$180, this cost includes set up, cooking time, serving, clean up, and travel up to 25km from our shop. If travel over 25km is required, an additional cost will be applied at the rate of \$45 per hour. Please contact us to discuss.

We also offer a Roast Meat & Gravy Roll option, as an addition to our Paella menu.

The Gourmet Roast Meat and Gravy Roll option consists of Yearling Beef and Local Pork/Lamb. The sliced roasted meats will be delivered in our hot box to keep the meat piping hot and food-safe.

Buffet tables will be set up with Bain Marie to serve the gourmet rolls.

(Please note: Additional space will be needed if rolls are added to your menu.)

For one mini roll of Pork/Beef or Lamb option, it is \$6.50 plus Paella per person.

For two mini rolls of Pork/Beef or Lamb option, it is \$12.50 plus Paella per person.

If Roast rolls are added to your menu, additional staff may be required so please contact us to discuss.

(Also available is gluten-free gravy for \$6.00 per person and gluten-free rolls for \$2.50 each.)
